I was just trying to give Jeffrey & Danny some alone time...I'm sure he could go whenever is convenient during the day, but he would be joining in on another meeting ...just let me know what is good! :)

Hi Lesley,
I heard back. Danny has an overnight guest on Friday night, so I'm not yet sure 11am will work. We can pencil it in for the moment. He also has a commitment on Saturday evening. Is Jeffrey available any other time in the afternoon?
Cheers, Alice
