FYI, little note: I think if Leon wants to book for himself or family he should book with [REDACTED] as she's the strongest -;)

Hi [REDACTED],

I'm forwarding you a link for people to schedule a session online.

It doesn't expire so no rush as of when you want to send people

is cool!

I've forwarded it to JE as well but good for you to have the copy as well!

We're going to start accepting bookings come Monday of next week,

so preferable to gift out or send this as of Monday 11th.

Though I thought if you wanted to forward this today to Leon Black since

we spoke this am and just say [REDACTED] thought this might be easier for

you to schedule online, it might be helpful for him.

You typically email me on my [REDACTED] email

but this email announcement comes from [REDACTED]

and this is the right email to use if you need to send out (it is in the body of the announcement tho as well)

Hope that's clear, just call me if something isn't clear!

You just have to make sure that you forward my original email as that is hyperlinked!

Thanks so much -;))
