Yes no prob. I think it came from Jeffrey's personal account. It was not from pay pal. And I don't think it would come from any of his entities but I can ask.

Super!

I think Pete's point was -- he wanted to make sure Jeffrey didn't write it out of his business checking account whereby it looked like income to us. . . I didn't pay attention who the check was from/account it came out of.

..

thank you for checking! (note: I didn't loop in Richard as I wasn't sure you wanted him to be privy to this info)
