I bound it and fed ex'd to island! He will have today. Shhhhh. It is a surprise though. He told me he didn't need to have it ([REDACTED], it made me quite sad. I had to send out so many emails begging some of his friends to write these letters and send to me! And some friends never did.... I think JE was a bit disenchanted). BUT! 7 of his friend did send me nice letters so I wanted to get it to him! Included some pics also. It's not the best quality by any means but it is nice nonetheless and will let jeffrey know some of his friends were thinking of him!
