I know it has been a long time! I left you guys in 2008 - 7 years ago! Definitely too fast!

I can't believe you left our office so long ago...I was thinking about that last night...it was before we moved to the apartments for an office...then [REDACTED] left...it was all a long time ago, but as you said, time flies so fast...too fast.

Wow, I can't believe he is [REDACTED] now! He was only a year old when I met you! Time sure does fly!
I'm glad you had a nice time at the concert and [REDACTED] special dinner!

I agree, it's all about networking and obviously having Jeffrey looking out for me is really amazing. Any bit of help always goes a long way! I am so appreciative! Eva does great work and it would be amazing to be able to work with her. Fingers are definitely crossed! I was planning on mailing JE a little thank you note, do you think that would be ok?

Hope you have a wonderful holiday as well!

Concert was SO great! but too short...they sang 3 songs and that was it! I was hoping for more! But it was very nice and professional (all the kids wore white shirts and black pants type thing) I then I took [REDACTED] to a special little dinner...FUN! [REDACTED] :) 11!!)

Jeffrey is always quick but I was very happy he wanted to meet with you...Robin Hood would be fantastic! and even if not Robin Hood your name will be out there...if Eva doesn't need someone perhaps when someone asks her if she knows someone looking your name will be mentioned ...all about networking!! Wishing you the best and lots of fun with the holidays! Take care and keep in touch. [REDACTED]

My meeting with JE was great! It was quick. He asked me what I had been up to and what I wanted to do. He said he would reach out to Eva Dubin about a possible role at the Robin Hood Foundation for me!! It was so nice of him to offer to help, I really appreciate it!! He said to send you my resume so please see attached!

So I'm living in still living in [REDACTED] which is still very cheap (rent stabilized) and I'll graduate from the [REDACTED] at [REDACTED] in June! I am so excited! I hate to say it but I'm tired of being in school - its been a while!

Thank you again and I hope I get to see you again real soon! How is everything else with you!?

Enjoy the show!

I feel sad about non-profits but it just seems I'm not getting out of it what I thought I would and if I'm not making any actual changes then why do it! It's very sweet of you to suggest the guy you know....not sure the commute to Greenwich is something I want to commit to right now but I really appreciate you thinking of it and I will give it some serious thought! If you also hear of anyone in the city (any of Jeffrey's associates etc) please do let me know!

I'm still dating the guy from July! His name is [REDACTED] [REDACTED]! He's pretty great...the best boyfriend I've had so far haha. We plan on moving in together in the next couple of months!

I started working about 2 months ago at the [REDACTED] [REDACTED]. It's a great institution but I'm starting to question my decision to work in the non-profit sector - I can barely live off of the salary and there are alot of anxious personalities in the field! Too much stress for me...I may start looking for an assistant position soon! I want to save money and move out of the city asap! Probably Westchester or upstate - maybe even CT!
