you need to go in and try to see what you can get!! Please see if you can do now..you may have to do closer to the date of travel...I am not sure ...you should check every day...this is something you and [REDACTED] need to do and keep track of for yourselves...The seats are under airport control...

Hello [REDACTED], thank you very much !
Is it possible please to try to get us the seats in front of the plane . As closer as possible to exit .
I always feel sick so trying to sit in front of the plane .
Thank you !!!
