We don't have any booking fees. That is the price for travel insurance if you want to add it. That wording is a little confusing.

Let me know how we are doing on this one.

Morning Liz... I see there is a premium of \$588.33? is that your booking fee? how much is the travel insurance?

Thanks, [REDACTED]

Sounds good. I have a lunch meeting today, but am holding that air and as soon as I have payment, I will grab that room.

You can always leave the credit card number on my voice mail too.

Below is the quote we discussed on the phone. I am holding this air for them. Let me know if this will work, I will send you a credit card form to confirm all. I will need their birthdates and a cell phone for the transfers.

Thanks,

Liz
