As long as we ticket before 5pm today, we are ok.

I just looked at that hotel room again and it does not appear to be available. Let me make some calls and see if I can find an alternative.

We don't have any booking fees. That is the price for travel insurance if you want to add it. That wording is a little confusing.

Let me know how we are doing on this one.

Sounds good. I have a lunch meeting today, but am holding that air and as soon as I have payment, I will grab that room.

You can always leave the credit card number on my voice mail too.

Below is the quote we discussed on the phone. I am holding this air for them. Let me know if this will work, I will send you a credit card form to confirm all. I will need their birthdates and a cell phone for the transfers.

Thanks,

Liz
