Their vouchers are attached for you to print out for them. I was not able to get seats on 12/26, but if you plug in the United confirmation number (JSPLF7) at united.com, you may be able to purchase them. If you need assistance with this, let me know. We started their skiing on 12/28, so they will have a day in the resort first to get acclimated. The bus to Buttermilk, where they will take their lessons, is just across the street from this property. The Front desk will be able to direct them to this. On 12/27, they can get fitted for their skis at a Four Mountain Sports shop. There is one near the gondola in town. They will transport these over to Buttermilk for the next day so they don't have to take their gear on the bus. As entry level skiers, they will likely ski all days at Buttermilk and they can keep their skis at that shop when they head back into town after skiing.

Let me know if they need anything else. I hope they have a great trip!
