Hi [REDACTED],

Hope all is well! Danny's traveling remotely today, so let me respond. Looks like he'll be in Cambridge on Friday, Dec. 4th, but has some firm customer meetings that day from 1-3pmET. What timing do you have in mind - perhaps something before/after that?

Also, apologies for the late notice, but I'd also like to give you our updated contact/email addresses below for the new company, Applied Invention (see below).

Cheers, Alice
