lesley,

just noticed your fax didn't work because we dont use Efax ... we use ring central! lol

HI Bella...can I no longer fax with Efax? If I am supposed to have faxing ability, then my email address needs to be registered with jConnect?

Can I send you the scan of Jeffrey's medical release form and could you or Bebe fax it for me? :) Lesley

Dear Customer,

Re: Release form for Jeffrey Epstein

The fax you recently sent through j2 to 16467146060 did not go through because your email address is not registered for this service.

If your service includes the ability to send faxes, please log in at [REDACTED] to register additional email addresses with your jConnect account. If you don't recall your jConnect number or PIN, you will be able to request that information at [REDACTED].

If you need assistance, please visit our online help center at [REDACTED]

If you are registered for our Free service, you may add the ability to send faxes by logging in at [REDACTED] and selecting "Upgrade." If you don't recall your jConnect number or PIN, you will be able to request that information at [REDACTED].

Regards,
j2 Global Communications
