Hello Amanda and Sarah...

Just left a vm with Sarah...want to follow up with email (I know it is sometimes easier!) Jeffrey would like Dr. Moskowitz to please fax over a script for an MRI of his back to the East River Medical Imaging center in NY...Rosie is who I made Jeffrey's appointment with and her fax # is [REDACTED]

Jeffrey's appointment is for Wed. Oct. 14th at 7:30am

Might Dr. Moskowitz be able to fax this script over today so we are all set?

Please let me know!

Thank you,
Lesley
