Hi Lesley,

The Apple TV & iPad Pro aren't available to preorder yet. The watch I need more info for (see below). Bella needs to preorder the phone.

1. The new Apple TV will be available in late October. No announced date for preorders, yet.

Important to note on the Apple TV is that there is no longer a separate audio output — everything goes through the HDMI cable. If the projector or tv that it's plugged into doesn't support audio-over-HDMI, it won't work.

I'm not sure if any of the current setups rely on the optical audio cable going to a separate receiver currently, but they will need to be reconfigured to work with the new model.

2. The iPad Pros will be available in November. No date announced for preorders, yet.

3. On the watch.... there are so many options here designed to suit personal preferences, so I need a little more information...

Do we know who the watch is for / which model and band he wants? Is this a gift? Does he just want one to play around with?

All models come in either 38mm (1.52" H x 1.31" W) or 42mm (1.65" H x 1.41" W). Visually the 42mm looks considerably bigger than the 38mm version.

Low-end **Sport** models are \$349+ aluminum, have the Gorilla Glass (same as iPhones) and the colors are:

- o Silver
- o Black
- o Rose Gold (color)
- o Yellow Gold (color).

Sport models come with rubber bands available in White, Orange, Blue, Black, Lavender, Stone (light grey), Midnight Blue colors.

Standard model is \$549+, stainless steel with sapphire glass screens and the colors are:

- Silver
- Black

Standard models come with the following bands:

- sport rubber bands (in red, white, or black),
- leather with a classic buckle (brown or black),
- leather with a “modern buckle” (midnight blue or pink),
- magnetic “leather loop” band (midnight blue or stone),
- stainless steel Milanese loop band (steel color only),
- stainless steel link band (in steel or black)

The “**Edition**” model is **\$10,000+**, an 18-karat gold (custom alloy), with sapphire glass screens and the colors are:

- Rose Gold
- Yellow Gold

Edition models come with the following bands:

- sport rubber bands (in white or black)
- leather with a “modern buckle” (red, rose grey [dusty rose?]),
- leather with a classic buckle (black or midnight blue)

4. **Bella**, can you preorder a 6S with 128GB storage from AT&T for Jeffrey, please?
