**"Sometimes the things that may or may not be true are the things a man needs to believe in the most. That people are basically good; that honor, courage, and virtue mean everything; that power and money, money and power mean nothing; that good always triumphs over evil; and I want you to remember this, that love... true love never dies. You remember that, boy. You remember that. **Doesn't matter if it's true or not. You see, a man should believe in those things, because those are the things worth believing in.**"** - Hub, *Secondhand Lions*

"Believe that life is worth living and your belief will help create the fact." - William James

"The thing always happens that you really believe in; and the belief in a thing makes it happen." - Frank Lloyd Wright

"Belief is a wise wager. Granted that faith cannot be proved, what harm will come to you if you gamble on its truth and it proves false? If you gain, you gain all; if you lose, you lose nothing." - Blaise Pascal

**"It's the repetition of affirmations that leads to belief. And once that belief becomes a deep conviction, things begin to happen."** - Muhammad Ali
