you are so sweet. Thank you. would love mangos and plain yoghurt.. and some champagne, if that isn't too much. Will look into reservations.. I know one place is the cuban restaurant at that marriott property.. I think it is blue havana or something like that.. would be nice to have a reservation there.. :)

thank you again.

HI Lawrence...might you like any specific foods stocked in your fridge prior to your arrival to the residence on STT? or any dinner reservations? Bebe can help with any needs you might have...she is cc'd here!
