Good day Lesley,

Hope all is well with you! Jeffrey and I had a brief conversation when we last spoke and he recommended that I applied for a course that he though was phenomenal and necessary for what i'm trying to achieve. I'm away right now getting some rest, but will be back on St. Thomas on the 10th and will move forward and apply for the course, the one that's scheduled to begin in January, but it's deadline to apply is in December. Can you please inform him that i'm totally committed and will be in that 12 week course and hopefully I get to speak to him when he returns to St. Thomas again.

Thanks again,

---

Hi Lesley,

Yes, I am working 9-5 today, so I will stay until he gets here and listen out for when they announce for a pre-clearance flight, that way I don't miss him pre clearing, so that works out perfectly.

Thanks,

Good morning Lesley,

Tomorrow I'll be instructing a class from 1-9pm for work, but I will make the time in the morning to come to the airport if he needs me to. I will be there before he gets there, since I won't be able to go on the ramp due to not being in uniform at that time.

Thanks,

Good morning Alford...Jeffrey is asking if you are working tomorrow morning when he will be pre clearing customs (around 7:45am)

Please let me know.

Thanks you, Lesley

Hey Lesley,

Hope all is well with you!

Could you let Jeffrey know that I completed the lectures as well as reviewed the documents that corresponded on iTunes University that he recommended me to. It is a wealth information and could be intimidating at first, but it did the complete opposite. I'm more determine now than when him and I spoke last. I know its a long road ahead, but I'm willing to take that road, because it's too important not to.

Please let him know that I really appreciate the guidance he's giving me and hope he's willing to continue to guide me in the right direction.

Thank you,

Good day Lesley,

Could you let Jeffrey know that I completed the courses that he recommended me to look into. They are very informative, which answered some questions I had pertaining to finance as well as refreshed some aspects I needed to brush up on. I will go back through most of them over the course of the following weeks to keep abreast on the topic until he communicates with me again.

Thank you,
