Dear Mr. Jeffrey Epstein

On Monday, August 3rd, please join co-directors [REDACTED] and [REDACTED] at the New York Premiere of their documentary, MERU.

Winner of this year's Documentary Audience Award at Sundance, MERU tells the story of three close friends, who are among the world's best professional mountain climbers, and their high-stakes journey-climbing the Shark's Fin on Mount Meru.

Sitting high 21,000 feet atop the sacred Ganges River in Northern India, the group grapples with their complicated pasts, inner demons and nature's harshest elements on an expedition to impossible new heights.

Come sit on the edge of your seat at a 7:30pm screening at MOMA and a party to follow at the Modern. Invite attached

XOXO,
