Subject: Happy Birthday Naomi

Report on Naomi Campbell's birthday party.

Naomi arrived at midnight as Johnny Pigozzi, Karla Otto and I were leaving.

We spent most of the evening in the kitchen with Yasmen, this beautiful woman from India who owned the restored fortress with her husband.

We thought she was the cook because she had an apron on, but realized quickly because she was so charming that she owned the place.

Party sucked be we had a ball as we always do, no matter where we are.

Tomorrow we go to Monaco to Top Shop Sir and Lady Greene's yacht for the races.

South of France was hopping hot for two weeks of SUNSHINE.

Monday, to London. The beat goes on.
xoxo Peggy

Maria/Ken,
Thank you for all your efforts to make my amfAR night so much fun...including dinner last night at duCap.

Jeffrey,
Thank you for buying me a ticket. Your generosity is so appreciated by all of us.

I tried to bid on a dinner for all of us at Andrea Boceli's Tuscany home, but a Saudi Prince beat me by a million euros. Sorry I was so slow on the paddle.

Ken and his gang did a magnificent job raising 30 million Euros.

Jeffrey, next time you have to come and buy a Jeff Koons. Thanks again everyone.

I am on to Naomi Campbell's birthday party. Will send a report.

xoxo Peggy
