Amanda...send [REDACTED] all the updated contacts for those listed below.

[REDACTED], just use my name. Edwina von Gal is the very artistically important landscape architect who has a wood house on stilts in the Springs in East Hampton. She does NOT do party design but may know people who do. She is a serious artists so treat her with due respect.

David Monn is a talented party designer/florist. He does the New York Library galas beautifully. Again, these guys are event oriented, but may have an assistant in mind who wants a permanent job on sight using David as the supplier.

Susan Smith, is Kathy Rayner's "in house" party designer, table top genius and the best in the country. She is a conservative timid gardner with extra ordinary taste and could use another big client. She will never leave Kathy...but could use more work. She does some work for Carol Mack too.

Bronson van Wyck has a big business and is expensive. He just did a week of Whitney openings. He also works for David Koch...etc. He may know some young person to assign to Jeffrey, keeping the account...or just sending you talented kids.

I will email and call Bronson now. Do you want to send me an email outlining what Jeffrey is looking for.
Peggy
