Jeffrey,

Is next Thursday April 23 acceptable for B727 return to service?

Both main wheels have been set out for new tires,. And Wheel inspection, price \$1500 per wheel compared to \$5,500 exchange., it's 5 day turn around.,

Flap AD compliance inspection this week.,

-New overhauled Elevator actuator installed by Friday.  
-repair Oxygen leak is cabin, in works.

Is 23rd ok? Or should I push for earlier date?

Thank you  
Larry
