Subject: Mr. Soderbergh-Director of "The Knick"

Date: Tue, 14 Apr 2015 23:31:56 +0000

Jeffrey has agreed to let Mr. Soderbergh, director of "The Knick" use the front of Jeffrey's house in a scene they are filming. Mr. Soderbergh will be dropping by on Monday night to scout the front door himself...Jeffrey has offered him to come inside for coffee...please be aware he may ring the bell (I am assuming JE will be in NY and at the house by the time Mr. Soderbergh comes around)

The filming will take place on Tues. April 21st around 8pm and take from 1/2 hour to an hour to shoot. The director would like the actress to walk out of the front doors and on too a horse drawn carriage. Jeffrey will be home so this will be interesting!!

OK?!
