Hi [REDACTED], [REDACTED] and [REDACTED]. I'm sure you are all aware I will be away next week on holiday and Jeffrey will be in NY! (Possibly as soon as this Sunday). I thought it would be good to meet at the house today and go over the phone again with you in case he wants you to sit in for me (he has not told me yet who wants to do this). Also, we can go over his schedule, make sure you have phone #'s and email addresses etc. Could you all meet me at the house today at 2:30?

:) [REDACTED]
