Dear Lesley

Thank you for your note, Julian is chasing this up and I will get back to you when I hear from him. (I believe he sent it therefore he has the paperwork etc).

Best wishes,

Hello Rebecca. Hope you are well...just wanted you to know the print that Julian sent to Jeffrey still has not arrived? I have asked the house to keep an eye out for it, but no one has seen a package with a print.. Might you be able to track this package? (what carrier did you use and how big was the package?)

Thank you,
Lesley
