---

Hi Lesley,

Hope you had a great weekend! I'm doing much better now, staying warm inside helped me fight the flu quicker. Some friends from Paris are visiting me in NYC on Wednesday after tomorrow and we're then going to Boston and then to Vermont for skiing.

Do you think it would be possible to have a coffee with Jeffrey before Wednesday or we'd better wait for my return next tuesday?

Thank you,  
Simon

Dear Lesley,

I hope you are doing well.

I'm in NYC since Monday but fell horribly sick upon my arrival. I'm definitely not done for cold weathers. So I'm sorry for not having been in touch earlier.

In addition, I know Jeffrey hates to be sick so I'll wait until I'm fully recovered before we meet! Probably mid next week on, I should be in perfect shape again.

For the meanwhile, please send him my best regards.

Have a great (freezing) weekend!

Simon
