Of course! There is a light at the end of the tunnel. ...when one door closes another one opens... The end of one race is the beginning of a new race.. It will all work out. And how nice that you are still friends. :)

Oh, [REDACTED] - thanks for thinking of me! I am terrified that I haven't eaten in days and feel like crap. We did not end on bad terms at all - we just enjoy different things and its not fair to one another to hold each other back. It sucks, a lot, but there is nothing I can do anymore. We are best friends and will remain. I am scared, and alone! LOL.

Sorry for my depressing rant, but thanks again for asking and listening!

Just wanted to say hi and I hope you are doing ok. You will get through this. I promise. It's always scary to start a "new chapter" but in the grand scheme of life you will find all this will make you a stronger person. Hoping apt hunting is going ok. :) [REDACTED]
