[REDACTED] glad you liked it. Since there is no recipe, it is different each time.
lol.

Subject: Chili!

[REDACTED] just said the chili is the best chili he has ever had :) I had some the other day and thought phenomenal also! We will probably eat for dinner tomorrow night after [REDACTED] 2 basketball games! We won't be home in time to make dinner so very nice to have already done for us :)

Thanks [REDACTED]!!!
