I am in full agreement with Gregory. Nothing leaves its space unless its replacement from artefacto is ready to come in. Jeffrey is being so extremely generous by giving some almost brand new furniture away that the last person we want to trouble with this is him. Therefore the guest apartments (which reflect on him) keep the furniture until the new items are ready to go in and replace the old.

Please note Nothing should leave any of the apartments unless it has a replacement in the orders coming from Artefacto.
