Dear [REDACTED],

I could not agree with you more about Jeffrey.

See the attachments below for the highlighted items that are coming from Artefacto in this first shipment. Please note it is only the highlighted items with a red asterisk.

We still do not have a firm confirmation from Artefacto of when this will be. We are shooting for Jan 5 and 6th as the possible delivery days that the new furniture could arrive at 66th street.

Thanks,  
Gregory

I am in full agreement with Gregory. Nothing leaves its space unless its replacement from artifacto is ready to come in. Jeffrey is being so extremely generous by giving some almost brand new furniture away that the last person we want to trouble with this is him. Therefore the guest apartments (which reflect on him) keep the furniture until the new items are ready to go in and replace the old.
