'things' have been redistributed to other apartments ...Anthony says he can locate some of
these items, but we will need to get this apartment up to speed with linens, towels, kitchen
utensils, bath products, trash cans...etc. [REDACTED] and Leo will be getting apt 8A ready this
Friday morning...[REDACTED] [REDACTED] is due to arrive to stay in apt 8A around 1:30/2pm on
Friday...We will need [REDACTED]/Leo to take inventory of what is still needed. Karyna, [REDACTED], can
you please then take care of what needs to be ordered and give a list to [REDACTED] for items to
purchase. If [REDACTED] [REDACTED] stays in NY I am sure she can help with this task as well...
