Thanks for the update. Breakfast may be possible or a mid-afternoon visit... just waiting to hear back from Nathan. What time does Jeffrey typically have breakfast?

Hello Claudia! Just checking to see if Nathan will still be coming to NY next week Nov. 17-21? (with the trip to Washington night of 18th)...Please let me know..Jeffrey's schedule is up in the air at the moment...but something makes me think he may come back to NY for a couple of days...

Thank you!
