Have read the more recent emails from Anthony but still want to reiterate that nothing was moved to or from [REDACTED] (where [REDACTED] is staying)
[REDACTED] bed was moved to [REDACTED]
Saw Anthony will look for a bed
Anthony let me know if I should purchase a cheap one for us to use in the interim

I do not know what is actually going on at [REDACTED]...

Karyna, are you in charge of what is happening with furniture and items for all the apartments? We just need to make sure that [REDACTED] is completely ready to go by end of day Friday... [REDACTED] will be coming to stay in [REDACTED] as early as Friday around 2pm...

Also, Penn states that the bedroom set for [REDACTED] was moved to 10B...which is where [REDACTED] is living...? Was the 11B bedroom set moved to 8A when [REDACTED] moved in?

I really don't need to know all the details...I just want to make sure it is done...Karyna, [REDACTED]...can you all make sure it is done?

We need to make sure the bed is moved back in, all kitchen supplies, etc. If Leo is needed to help move things that is totally fine! Penn says they will be done and out of the apt by Thursday. So Friday will be a big day for [REDACTED]. We have an important guest arriving on sat. [REDACTED] and merwin Please confirm back. Thanks
