Morning Karyna...how nice that your parents will come for a visit! I need to speak with Anthony...we have had Jack Goldberger and his wife logged in to stay in 11J from Nov. 22-29 for quite awhile now...If Anthony can promise to have 11B back on line and clean by Nov. 22 I can move Jack to 11B for his NY stay...I just need Anthony to make sure he can do it! With [REDACTED] in 10B, it is the only other 1 bedroom we have...I think it can all work out...hang in...
