Hello Lesley,

Based on the pics, the AMT885 will definitely work to replace the Vision elliptical in the picture. I think the INspire Ft1 will work best in a corner. See below link.....thanks

Good morning Janusz...

Jeffrey would like you to take a picture of his current gym equipment and space and send to Carlos, who is cc'd here, so he can see the configuration...

Carlos, Jeffrey said the last link you sent was better, but he is wondering if there is a corner version...

Thank you! Lesley
