Morning Westley. Totally fine to speak after 12:30! Call me whenever is good for you! I am asking Jeffrey about the other suggested dates but I don't believe he will be in NY accept the beginning of Dec and wants to get this done sooner rather than later, but am asking him just in case. Should know by 12:30 I would think. Thanks,

Hi [REDACTED]

Pleasure speaking with you tonight! I am not available to speak until about 12:30pm tomorrow. Hopefully that will still work? It looks as though Dec. 2<sup>nd</sup> might be a possibility – although it leaves with a tight and specific window in which for us to prepare for the patient. Just so I am aware, would Dec. 16<sup>th</sup> or dates in January 2015 be an option?

I also wanted to let you know that the HSS Premier program does not participate with any insurance programs. The total cost is \$8,000 for the full day experience 20+ page report, customized plan and videos, and a few follow up visits with the main medical doctor. Other follow up can be scheduled but may be charged separately. We can discuss payment options later as well.

Have a wonderful evening,  
Westley

*A Personalized Performance & Wellness Program*

Dear Mr. Jeffrey Epstein,

We understand from Dr. Bruce Moskowitz that you are interested in participating in Hospital for Special Surgery's Premier program. We are excited by the opportunity and hope to schedule you for a session in December or January 2015 at a time that is most convenient to you.

In case Dr. Moskowitz did not mention it to you, this program is a full day experience starting at 7:30am and ending at 5pm on our Upper East Side campus. We will also coordinate with the members of your care team to secure any necessary medical information in advance.

If preferred, please forward me on to your assistant to finalize scheduling, logistics, and payment details. Once we secure a date, the next step will be to send you an online Medical Intake Form to start your assessment before you arrive. This allows us to tailor the day to your specific needs and wellness goals. If you have any questions, please feel free to reach out to me directly.

We look forward to meeting you and creating a personalized plan to help drive you towards a healthier and stronger lifestyle!

Once again, please feel free to pass me along to your administrative assistant to begin the scheduling process.

Thank you,  
Westley
