Hi [REDACTED],

It looks as though Dec. 2nd might be a possibility – although it leaves with a tight and specific window in which for us to prepare for the patient. Just so I am aware, would Dec. 16th or dates in January 2015 be an option?

I also wanted to let you know that the HSS Premier program does not participate with any insurance programs. The total cost is \$8,000 for the full day experience 20+ page report, customized plan and videos, and a few follow up visits with the main medical doctor. Other follow up can be scheduled but may be charged separately. We can discuss payment options later as well.

Have a wonderful evening,
Westley
