Good afternoon. I am providing you will the credentials you will need to set up the P80 console with Preva on your Precor AMT. Please see below.

To set up the console, use will need the following info.

Here are your PBS registration credentials:

[REDACTED]

Location Code: SF9066439

Username: [REDACTED]
Password: [REDACTED]

Once the console/Internet is set up, you will then use the following for your own personal account login.

Username: [REDACTED]

Password: [REDACTED] (you can change this password once you log in for the first time)

Thanks,

Brandee King
