Afternoon of the 8th is tough for Alan. Would the 9th possibly work?

I have two meetings on that day. One is between 2:30 and 5:30, which I cannot change so easily because it involves many people. The other is between 11 and 12:30. The ideal time for me would be 9am or earlier. If that does not work, I can change the 11am meeting to accommodate others. Thanks. Alan
